OUR MISSION

At Golden Hour Cafe, we believe in savoring the finest moments of life. Inspired by the warm, welcoming glow of Hawaii's North Shore "Golden Hour," our goal is to create a community haven in La'ie. We strive to provide quality, handcrafted cheesecake and refreshing custom sodas that foster connections and create joyful memories, one sweet bite and one bubbly drink at a time. Welcome to a moment of pure bliss.

OUR VISION

At Golden Hour Cafe, we envision a future where our space is a cherished landmark on Oahu's North Shore. We strive to become the premier community gathering place, recognized for our commitment to fresh, in-house baking and authentic coastal charm. We see our cafe as the heart of a vibrant local culture, a beacon of "Golden Hour" bliss that inspires similar community-focused hubs across the Hawaiian islands.

PRODUCTION

“EFFICIENT SYSTEM TO MAINTAIN QUALITY AND CONTROL COST”

Supplier

- Local farms (fruits like lilikoi)
- Costco / wholesale for dairy
- Some pre-made items (optional)

Kitchen Requirements

- Baking-focused kitchen (not full hot kitchen)

- Equipment:
- Oven (cheesecake production)
- Mixer (batter prep)
- Refrigeration (storage & display)
- Soda station
- Small, efficient layout
- Separate prep & service flow

Production Efficiency

- Simple menu allows faster production
- Pre-prepared ingredients
- Batch baking increases output efficiency
- Quick service system

Cost Efficiency

“Supports 15–20% profit margin”

- Low food cost items
- Minimal waste
- Multi-use ingredients
- High margin products

OPERATIONS

“EFFICIENT TEAM AND SERVICE SYSTEM HELP CONTROL LABOR COST 25-30%”

Staffing

- 5–7 employees per shift
- Roles:
- Cashier
- Drink station
- Kitchen (baking/prep)
- Small team for efficiency

Service Model

- Fast-casual service
- Order at counter
- Separate pickup area
- Quick and friendly service

Training & HR

- Basic training (service + product)
- Standard procedures
- Flexible schedule (students)
- Positive work environment

Pay & Benefits

- Competitive hourly pay
- Employee discounts
- Flexible shifts
- Incentives for performance

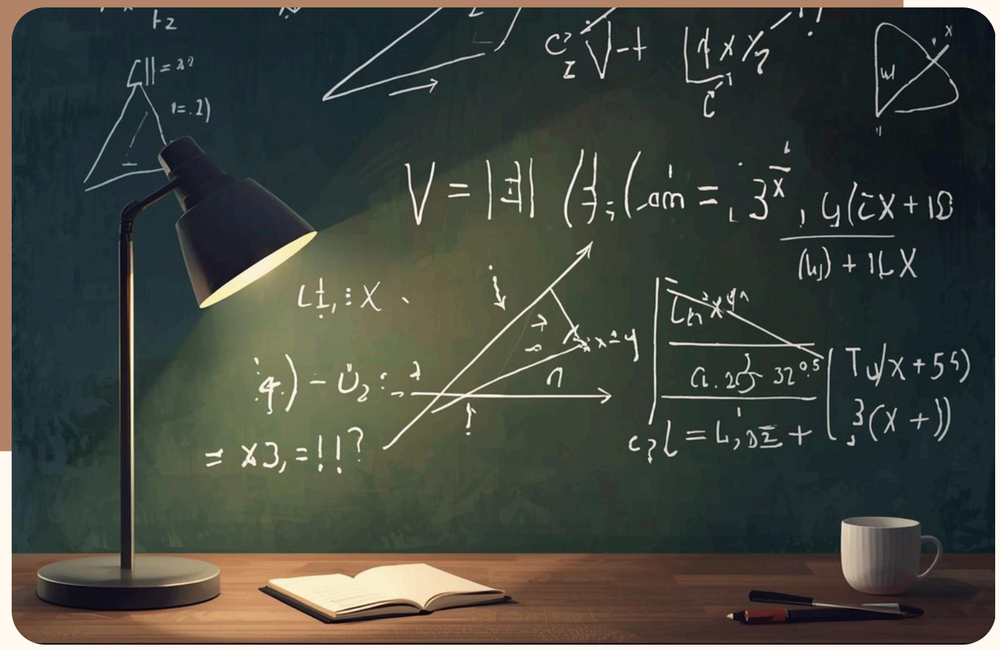
1. Mash bananas.
2. Cream butter and sugar.
3. Add eggs and bananas.
4. Fold in flour and baking soda.
5. Add mac nuts.
6. Bake at 350°F for 50–55 minutes.

Batch Cost: $12
Cost per slice: $1.50
Pricing Formula: 1.50 ÷ 0.30 = $5.00
Final Price: $5.50



THE NUMBERS

ft. Basque Cheese Cake

Business Volume Estimation

Estimated Monthly Fixed Costs:
Rent: $5,000
Utilities: $1,200
Labor: $9,000
Insurance & Supplies: $1,300
Total Fixed Costs: $16,500

Average Check: $18
Contribution Margin: 70%

Break Even Sales = Fixed Costs ÷ Contribution Margin %
16,500 ÷ 0.70 = $23,571 per month

Customers Needed:
23,571 ÷ 18 = 1,309 per month
Approximately 44 customers per day (30-day month)

ANNUAL REVENUE

$336,960 – $561,600

Simple 3-year projection
Using the base case and assuming 5% annual sales growth:

Year 1:
Revenue = $449,280
Profit = $86,040

Year 2:
Revenue = $471,744
Profit = $90,342

Year 3:
Revenue = $495,331
Profit = $94,859
